

jojo

The image features the word "jojo" in a bold, lowercase, sans-serif font. The two 'o's are positioned such that they function as eyes for a smiley face. Below the word, a thick, black, upward-curving arc serves as a mouth. A small black dot is placed centrally above the 'j' and another small black dot is placed centrally above the 'o' that acts as the right eye, completing the face's features.
